Cable & Connector Wiring

Audio, Video and Data Cables \$ 60 - \$ 95 / hour

Miscellaneous

Broadcast/Industrial Quality: Microphones, Chargers, Power Supplies, etc. \$ 60 - \$ 95 / hour

Maintenance Materials Charge

A Service Charge for every serviced item \$ 15.00 / item

A Pre-Authorized Amount of at least two (2) Hours is Required on All Repairs.

Our Regular turn-a-round time is generally 3 – 9 business days. Priority Service allows our clients to red flag their equipment and expedite the evaluation/repair process to get their unit back quicker. We generally try and repair all priority items within 3 business days. With either service option the depth of the problem and availability of parts really determines the repair time.
